COLLECTIVE BARGAINING AGREEMENT BETWEEN

THE CITY OF YAKIMA AND

YAKIMA POLICE PATROLMANS ASSOCIATION

THIS AGREEMENT, is made and entered into by and between the City of Yakima, Washington, hereinafter called the City, and the Yakima Police Patrolmans Association, hereinafter called the Association.

WITNESSETH:

WHEREAS, Chapter 41.56 of the Revised Code of Washington (hereinafter RCW 41.56) contemplates the execution of collective bargaining agreements between cities and collective bargaining representatives of government employees, the intent and purpose of such chapter being the promotion of the continued improvement of the relationship between the public employers and their employees by providing a uniform basis for implementing the right of employees to join labor organizations of their own choosing and to be represented by such organizations in matters concerning their employment relations with public employers, and

WHEREAS, the parties to this agreement recognize that benefits accrue to employees of the City by virtue of their Association membership, and that the best interests of the government and people of the City of Yakima are served by the City's official recognition of the Association,

NOW, THEREFORE, pursuant to RCW 41.56, and in accordance with the intent and purpose thereof, and for the purpose of promoting the morale, well-being and security of the employees of the Yakima Police Department represented by the Association, and for the purpose of promoting the general efficiency of the government of the City of Yakima, the parties hereto agree as follows:

ARTICLE 1 - RECOGNITION OF ASSOCIATION/BARGAINING UNIT

The City hereby recognizes the Association as the exclusive bargaining representative of employees within the bargaining unit, which consists of all full-time regular police officers, including probationary police officers, of the Yakima Police Department except those persons appointed to positions above the rank of Sergeant.

ARTICLE 2 - COLLECTIVE BARGAINING REPRESENTATIVES

Collective bargaining between the parties shall be carried out by the City Manager, or his designates, on behalf of the City Council, and a person or persons representing the Association. The Secretary of the Association shall notify the City Manager in writing of the names of the person or persons representing the Association for collective bargaining purposes and the City Manager shall notify the Association of his designates in a similar manner.

ARTICLE 3 - ASSOCIATION MEMBERSHIP/PAYROLL DEDUCTIONS

Section 1 - Association Membership. Each employee within the bargaining unit is eligible to become and remain an Association member. However, active Association membership shall not be open to those employees of the Yakima Police Department permanently appointed to the positions excepted from the bargaining unit by Article 1 of this Agreement. In the event an Association member is permanently appointed to any position excepted from the bargaining unit, active Association membership shall thereupon be closed to him and he shall immediately discontinue active Association membership.

Section 2 - Payroll Deductions. The City agrees to deduct Association membership fees, dues and other assessments by the Association against its members within the bargaining unit from the pay of those members who authorize the City to do so in writing. The Secretary of the Association shall forward signed authorization cards to the Finance Officer of the City setting forth the amounts to be deducted from the pay of each such person. The City shall transmit to the Treasurer of the Association the aggregate of such deductions during each calendar month, together with an itemized statement, on or before the 20th day of each month following the month for which such deductions are made. In the event the City receives a written notice, signed by any person from whose pay such deductions are being made, that no further deductions are to be made, the City shall make no such deductions from any pay earned by that person after receipt by the City of such notice. The City shall notify the Secretary of the Association of all such notices received by the City, which notification to the Association shall be given in writing no later than the next working day after the receipt of such notice by the City and shall include the name of the person involved. The Association agrees to defend, at the expense of the Association, any claim, allegation, cause of action, or lawsuit against the City arising from the above cited deductions or the transmittal of such deductions to the Association, except one brought by the Association for failure of the City to comply with the terms of the Agreement.

ARTICLE 4 - ASSOCIATION SECURITY

It shall be a condition of employment that all employees covered by this Agreement who are members of the Association in good standing on the effective date of this Agreement shall remain members in good standing. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after its effective date shall, on or before the thirty-first (31st) day following the beginning of such employment, become and remain members in good standing of the Association.

All employees covered by this Agreement, except new employees during the first thirty-one (31) days of their employment, shall be required to be and remain members in good standing of the Association.

The City shall discharge any employees as to whom the Association, through its authorized representative, delivers to the City a written notice that such employee is not in good standing in conformity with this Article. Upon receipt of a notice requesting termination of an employee who has not become or remained a member in good standing of the Association, the City shall immediately notify such employee that if he has not complied with the Association membership requirements of this Agreement within fifteen (15) days, his employment shall automatically be terminated. The Association agrees to withdraw any letter of termination if the employee, in respect to whom such letter has been served, shall complete his membership requirements within the time limit specified heretofore.

Any employee having objections to Association membership, based on bona fide religious tenets or teachings of a church or religious body of which he is a member, shall pay an amount of money equivalent to regular Association dues and initiation fees to a non-religious charity or to another charitable organization mutually agreed upon by the objecting employee and the Association. Written proof of payment shall be given to the authorized representative of the Association.

If an employee for any reason does not wish to be a member of the Association, that employee shall proportionately and fairly share in the cost of the collective bargaining process. Therefore, the cost for such bargaining unit member shall be fixed proportionately at the amount of dues uniformly required of each member of the bargaining unit to defray the cost of services rendered in negotiating and administering this Agreement. Payment of a maintenance fee in this amount shall be in lieu of another obligation under this Article.

Indemnification. The Association shall indemnify, defend, and hold the Employer harmless from all suits, actions, proceedings and claims against the City or persons acting on behalf of the Employer, whether for damages, compensation, reinstatement or any combination thereof arising from the sole application of this Article of this Agreement. In the event that any part of Article III shall be declared invalid or that all or any portion of the monthly service fee must be refunded to any non-member, the Association and its members shall be solely responsible for such reimbursement.

ARTICLE 5 - NON-DISCRIMINATION

It is the policy of the City of Yakima and the Association not to discriminate against any employees or applicants for employment because of race, color, religion, age, sex, physical, mental, or emotional handicap or national origin. It is not the intent of management to lower employment standards or hire individuals incapable of performing the required tasks of the job classification.

Nothing in this section shall prohibit the City from establishing bona fide occupational qualifications.

ARTICLE 6 - COLLECTIVE BARGAINING

Section 1. All matters pertaining to wages, hours and working conditions, except as otherwise provided in this Agreement, shall be established through the negotiation procedure.

Section 2. The Association shall submit to the City Manager and the City Manager shall submit to the Association a written proposal for any changes in matter pertaining to wages, hours, or working conditions desired for the successor contract. The written proposals of the Association shall be submitted no later than the first business day of July of the last year of the agreement and the City's proposal shall be submitted within ten (10) business days of receipt of the Association's proposal. The Association's receipt of the City's proposal shall be considered the formal commencement of negotiations. The Association and the City shall follow the collective bargaining procedure set forth in RCW 41.56, unless they mutually agree to waive said procedure in whole or in part.

Commencement of mediation or arbitration as therein provided shall not prevent the parties from entering into negotiations seeking to resolve any differences during the pendency of mediation or arbitration. Any agreements reached during such negotiations shall be reported to the appropriate panel, and thereafter shall not be considered by said panel.

All agreements reached not otherwise included in this Collective Bargaining Agreement shall be reduced to writing in a separate Memorandum of Agreement which shall be signed by the City Manager or his designee and the Association's representative.

Section 3. One copy of the preliminary City Budget for each year shall be delivered to the Association or the Association shall be given written notice where it may obtain same, as soon as said preliminary budget is printed. One copy of the adopted annual budget shall be delivered to the Association or the Association shall be given written notice where it may obtain same as soon as the adopted annual budget is printed.

ARTICLE 7 - GRIEVANCE PROCEDURE

Section 1 - Policy. The parties recognize that the most effective accomplishment of the work of the City requires prompt consideration and equitable adjustments of employee grievances. It is the desire of the parties to adjust grievances informally whenever possible, and both supervisors and employees are expected to make every effort to resolve problems as they arise. However, it is recognized that there may be grievances which can be resolved only after a formal review. Accordingly, the following procedure is hereby established in order that grievances of employees covered by this agreement may be resolved as fairly and expeditiously as possible.

Section 2 - Grievance Defined. A grievance is a dispute involving the interpretation, application or alleged violation of any specific provisions of this Collective Bargaining Agreement

Section 3 - Special Provisions.

- (a) To be reviewable under this procedure, a grievance must be filed in writing within thirty (30) calendar days after the action or decision giving rise to the grievance.
- (b) The term "employee" as used in this Article shall mean the Association, individual employee, or group of employees, accompanied by a representative if so desired.
- (c) An Association officer and/or aggrieved party shall be granted time off without loss of pay for the purpose of processing a grievance.
- (d) The Association may initiate or process grievances with or without the consent of an individual employee.
- (e) A grievance may be entertained in or advanced to any step in the grievance procedure if the parties so jointly agree. In the event the grievance relates to discipline greater than a verbal reprimand, the parties agree to forego the initial steps and file the grievance directly with the Chief of Police.
- (f) The time limits within which action must be taken or a decision made as specified in this procedure may be extended by mutual written consent of the parties involved. A statement of the duration of such extension of time must be signed by both parties involved at the step to be extended. Failure of either party to meet the time limit or extended time limit for responses or appeals shall render the decision in favor of the other party.

- (g) Any grievance shall be considered settled at the completion of any steps if all parties are satisfied or if neither party presents the matter to a higher authority within the prescribed period of time. If the grievance is not appealed as prescribed the issues shall be deemed withdrawn.
- (h) If an employee seeks a Civil Service Remedy then said employee waives all rights to use the grievance procedure. If an employee uses the grievance procedure then said employee waives all rights to use the Civil Service Procedures. No later than the thirtieth (30th) calendar day after the action or decision giving rise to the grievance, the employee must make an election of remedies as set forth in this section.

Section 4 - Procedure.

- (a) Written Grievance to Division Commander. Within thirty (30) calendar days after an employee has been made reasonably aware of a wrongful act charged, an employee shall first reduce his grievance to writing and discuss it with his Division Commander. Said Commander or Designee shall make an investigation of the relevant facts and circumstances of the complaint and provide a written decision, and the reasons therefore, within thirty (30) calendar days. If the grievance is delegated to a designee, such designation shall be acknowledged in the written response.
- (b) Grievance Appealed to Police Chief. An employee who is dissatisfied with the decision of the Division Commander may submit the grievance in writing within ten (10) calendar days to the Police Chief. In the event the grievance begins with the Police Chief, the employee must file the grievance in writing within thirty (30) calendar days after the action or decision giving rise to the grievance. The Police Chief or Designee shall make a separate investigation and notify the employee in writing of his decision, and the reasons therefore, within thirty (30) calendar days after receipt of the employee's grievance. If the grievance is delegated to a designee, such designation shall be acknowledged in the written response.
- (c) Grievance Appealed to City Manager. An employee who is dissatisfied with the decision of the Chief of Police may request a review by the City Manager by submitting a written request to him. Such request shall be submitted within ten (10) calendar days after receipt of the decision from the Chief of the Police. The City Manager or Designee shall make a separate investigation and notify the Employee in writing of his decision, and the reasons therefore, within forty-five (45) calendar days. If the grievance is delegated to a designee, such designation shall be acknowledged in the written response.
- (d) Arbitration. The Association shall notify the City Manager within forty-five (45) calendar days of the date the City Manager issues his decision in Section 7(4)(c) of this Collective Bargaining Agreement if the Association desires to submit the grievance to arbitration as the final step in the grievance procedure. In the event the parties are unable to mutually agree upon an arbitrator, either party may request a list for thirteen (13) qualified arbitrators according to the following procedure: the parties shall attempt to agree as to whether the Public Employment Relations Commission, the Federal Mediation and Conciliation Service, or the American Arbitration Association will

supply the list. If no agreement is reached, the list shall be requested from the Public Employment Relations Commission. The parties shall select an arbitrator from the applicable list by mutually agreeing to an arbitrator or by alternately striking names. The parties shall flip a coin to decide who starts the striking process. The final name left on this list shall be the arbitrator. The arbitrator's decision shall be final and binding but the arbitrator shall have no power to alter, modify, add to or subtract from the terms of this agreement. The cost of the arbitrator shall be borne equally between the City and the Association. The City and the Association will pay their own remaining costs of arbitration, including attorneys' fees, regardless of the outcome.

ARTICLE 8 – UNION LEAVE

Section 1 – Business Leave

(a) Members representing the Association, not exceeding three (3) in number, shall be granted leave from duty without any loss of pay during the pre-impasse period as provided in RCW 41.56, for all meetings between the City and the Association for the purpose of negotiating the terms of a contract and/or attendance at mediation, when such meetings take place at a time during which any such members are scheduled to be on duty.

(b) Members representing the Association, not exceeding three (3) in number, shall be granted leave from duty without any loss of pay during the post-impasse period as provided in RCW 41.56, for meetings between the City and the Association for purposes of interest arbitration hearings when such activities take place at a time during which any such members are scheduled to be on duty.

(c) Such officers and members of the Association as may be designated by the Association, not to exceed two (2) in number at any one time, shall be granted leave from duty with pay for Association business, such as attending labor conventions and educational conferences regarding collective bargaining, provided that notice of such conventions or conferences shall be given at least three (3) weeks prior thereto to Chief of the Police Department, and provided further that the total leave for the entire bargaining unit for the purposes set forth in this section shall not exceed fifteen (15) days in any fiscal year.

(d) Officers and members of the Association on business leave, either paid or unpaid, will list the date, place and nature or reason for leave on forms required by the Chief of Police, to enable the Chief to verify the legitimacy of such absence.

Section 2 – City owned Equipment and Supplies

An Executive Board Member may utilize city owned/operated equipment to communicate with the Association and/or Management for the exclusive purpose of administration of this Agreement. Such use will:

1. Comply with the City of Yakima, Computer Use Policy – ADM 620
2. Result in little or no cost to the City;
3. Not interfere with the performance of their official duties;
4. Not distract from the conduct of City business;

5. Not disrupt other City employees and will not obligate other employees to make a personal use of City resources;
6. Not compromise the security or integrity of city information or software; and
7. Not include the making of long distance telephone calls, except by the use of a personal calling card during a break.
8. Limited use of printer and copiers

The Association, its members and its Executive Board Members will not use City equipment for Association organizing or advocating for or against the Association in an election.

Section 3 –Meetings

Executive Board Members may be released during normal working hours to attend meetings scheduled for the following:

- a. Grievance meetings, including attempts at informal resolution;
- b. Investigatory interviews in according with Article 11, Employee Rights;
- c. Pre-disciplinary and disciplinary meetings;
- d. Other hearings and meetings related to contract administration.

Section 4 - Authorized Work Time

Executive Board Members shall be allowed release time while on duty to discuss grievances and/or disciplinary matters with Association members, provided that such discussion does not unreasonably interfere with the work and duties of the employees involved and provided the Board Member will notify his/her supervisor and receive prior approval, which shall not be unreasonably denied.

Section 5 - Identification of Executive Board Members

The Union will provide the Chief and the Human Resources Office with a written list of current Executive Board Members. The Union will notify the Chief and Human Resources of any and all changes of Executive Board Members within ten (10) calendar days of the change. The Employer will not recognize an employee if his/her name does not appear on the list.

ARTICLE 9 - ASSOCIATION REPRESENTATIVE ASSIGNED DAY SHIFT

To assist the City during the term of contract negotiations, the Association Chairman, if a member of the negotiating committee, shall be assigned to an appropriate day shift. During the balance of the term of the contract the Association shall submit to the Chief of Police a list of not less than three (3) names of members (which may include the Chairman), authorized to handle a grievance, and the Chief shall schedule at least one (1) of these on an appropriate day shift.

ARTICLE 10 - MANAGEMENT RIGHTS

The City recognizes that the exercise of management rights shall not conflict with specific provisions of this agreement. The Association recognizes the exclusive right and prerogative of the City to make and implement decisions with respect to the operation and management of the Police Department. Such rights and prerogatives include, but are not limited to, the following:

- (1) Establish, plan for, and direct the work force toward the goals of the City with regard to police services.
- (2) Determine the organization, and the merits, necessity and level of activity or service provided to the public.
- (3) Determine the City budget and financial policies including accounting procedures.
- (4) Determine the procedures and standards for hiring and promotion consistent with Civil Service rules and regulations and the City Charter. However, if the Employer seeks to change Civil Service rules, then the parties will bargain about those changes.
- (5) Determine and direct, from time to time, transfers and assignments of personnel to and from different duties, responsibilities and/or Departments.
- (6) Decision to lay off personnel due to lack of work, lack of funds or reorganization.
- (7) Discipline personnel for just cause.
- (8) Determine and direct, from time to time, the retention or discontinuance of positions and classifications.
- (9) Determine, from time to time, job descriptions, duties of personnel and job classifications.
- (10) Determine the methods, means, equipment, numbers and kinds of personnel necessary to effectively and efficiently provide police and related services to the public.
- (11) Determine and change the number and locations and types of operations, processes and materials to be used in carrying out all City functions.
- (12) Assign work to and schedule employees in accordance with classifications and position descriptions, and to establish and change work schedules in accordance with Article 13.
- (13) Take necessary actions to carry out the mission of the City in emergencies. An emergency is defined as a sudden, unforeseen event which threatens the public health or safety.
- (14) Assign incidental duties reasonably connected with but not necessarily enumerated in job descriptions which shall nevertheless be performed when requested to do so by the Employer.

The exercise of management rights shall not interfere with the Association's statutory right and duty to be the exclusive representative for bargaining unit employees.

ARTICLE 11 - EMPLOYEES' RIGHTS

No employee shall, by reason of his employment, be deprived of any rights or freedoms which are afforded to other citizens of the United States by the United States Constitution.

The employee will be required to answer any questions involving non-criminal matters under investigation. Prior to any questioning, the employee will be notified in writing and acknowledge receipt of the following:

"You are about to be questioned as part of an internal investigation being conducted by the Police Department. You are hereby ordered to answer the questions which are put to you which relate to your conduct and/or job performance and to cooperate with this investigation. Your failure to cooperate with this investigation can be the subject of disciplinary action in and of itself, including dismissal. The statements you make or evidence gained as a result of this required cooperation may be used for administrative purposes but will not be used or introduced into evidence in a criminal proceeding."

Section 1 - Discipline and Discharge. All discipline must be based upon just cause. Any discipline shall be imposed in a manner least likely to embarrass the employee before the public or other employees. Any disciplinary action imposed upon an employee may be the basis for a grievance through the regular grievance procedure.

Disciplinary actions or measures shall include the following: verbal reprimands; written reprimand; transfer for disciplinary reasons; suspension; demotion, or discharge. Discipline shall be progressive in nature where appropriate.

Where discipline consists of a verbal reprimand alone the employee is limited to the grievance procedure outlined in subsections (a) of Article 7, Section 4 of this Agreement. Such verbal reprimands are not subject to investigation and review by the Police Chief and the City Manager pursuant to subsections (b) and (c) and are not subject to arbitration pursuant to subsection (d) of Article 7, Section 4 of this Agreement.

Section 2 - Bill of Rights. All employees within the bargaining unit shall be entitled to the protection of what shall hereafter be termed as the "Police Officers Bill of Rights." The wide ranging powers and duties given to the Department and its members involve them in all manner of contacts and relationships with the public. Of these contacts come many questions concerning the actions of members of the force. These questions often require an immediate investigation by superior officers designated by the Chief of Police. In an effort to ensure that these investigations are conducted in a manner which is conducive to good order and discipline, the following guidelines are promulgated.

- (a) Notification of formal internal investigation. Investigations should be commenced within (30) calendar days of notification of the violation. Within (3) calendar days after the Department assigns an internal investigation number to an administrative investigation, any employee who is the subject of the complaint shall be informed in writing of the nature of the investigation, and advised of the rights of the employee unless notification may prejudice the integrity of the investigation. The YPPA will be provided a copy of the notice. If the employee is on days off or leave when the internal investigation number is drawn, the Department will notify the employee within (3) calendar days of their return to duty. Any employee who is the subject of the complaint

shall be informed in writing of the nature of the investigation and advised of the rights of the employee at least twenty-four (24) hours before any interview of the employee begins. The affected employee may waive the requirement to wait twenty-four (24) hours. Written notice shall include sufficient information necessary to reasonably apprise the employee of the allegations of such complaint. No employee will be interviewed over a subject that the employer knows or should know will result in an economic sanction without providing the notice required by this subsection.

- (b) Recording Interviews. The Association stipulates that the interview of an employee during an investigation shall be audio recorded and a copy provided to each party

Upon mutual agreement between the City and the Association representative, including agreement on the placement of the audio-visual equipment, the interview of an employee may be audio-visually recorded. The City will provide a copy of the audio-visual recording to the Association representative immediately or within twelve (12) hours following the completion of the interview.

- (c) Any interview of an employee shall be at a reasonable hour, preferably when the employee is on duty, unless the exigencies of the investigation dictate otherwise.

The interview, which shall not violate the employee's constitutional rights, shall take place at the Yakima Police Station facility, except where impractical. The employee shall be afforded the opportunity and facilities to contact and consult privately with an attorney of the employee's own choosing and/or a representative of the Association. Said employee's attorney and/or Association representative and/or Association attorney may be present during the interview but shall not participate in the interrogation except to counsel the employee, provided that the Association representative, employee attorney or Association attorney may participate to the extent permitted by the law.

- (d) The questioning shall not be overly long and the employee shall be entitled reasonable intermissions as the employee shall request for personal necessities, meals, telephone calls and rest periods.
- (e) Prior to the disclosure of investigation made in subsection (g) of this section, the employee shall not be subjected to any offensive language, nor shall the employee be threatened with dismissal, transfer, or other disciplinary punishment as a guise to obtain the resignation of the employee nor shall the employee be intimidated in any manner. No promises or reward shall be made as an inducement to answer questions. This provision does not apply to probationary employees.
- (f) It shall be unlawful for the City to require any employee covered by this agreement to take or be subjected to any polygraph or any polygraph type of examination as the condition of continued or continuous employment or to avoid any threatened disciplinary action.
- (g) Disclosure of Investigation. Except in the event good cause, investigations shall be completed within seventy-five (75) days. An employee who is the subject of an investigation shall be provided written notice if the investigation is not concluded within seventy five (75) calendar days of the notification given per Article 11, Section 2 (a). The notice shall include a projected completion date and a brief description of the

good cause basis for the delay. After the first notice, the employee shall be provided further notice of extensions at thirty day intervals. The proceeding requirement does not apply to criminal investigations.

No later than seven (7) calendar days prior to a pre-disciplinary hearing, the employee shall be advised of the results of the investigation and the recommended disposition and shall be furnished a complete copy of the investigation report, provided that the Employer is not required to release statements made by persons requesting confidentiality where the request was initiated by such persons, and provided further, such confidential statements may not be relied upon to form the basis of discipline. The employee and his/her representative shall be allowed up to thirty (30) calendar days to perform an independent investigation prior to the pre-disciplinary hearing, with additional time for good cause. The employee and any representative of the employee are prohibited from contacting any witnesses or complainants in the investigation until such time as the disclosure of investigation described in this subsection occurs. A copy of the final outcome documentation of the investigation will be sent to the YPPA union office upon completion.

- (h) Use of Deadly Force Situations. When an employee, whether on or off duty, uses deadly force which results in the injury or death of a person, or discharges a firearm in which no injury occurs, the employee shall not be required to make a written or recorded statement for forty-eight (48) hours after the incident except that immediately following the incident the employee shall verbally report to a superior a brief summary of the incident and any information necessary to secure evidence, identify witnesses, or apprehend suspects in accordance with the form attached as Appendix D. The affected employee may waive the requirement to wait forty-eight (48) hours.
- (i) Psychological or Medical Evaluations. When there is probable cause to believe that an employee is psychologically or medically unfit to perform his/her duties, the employer may require the employee to undergo a psychological or medical examination in accordance with current standards established by the Washington Association of Sheriff's and Police Chiefs, the International Association Chiefs of Police, the American with Disabilities Act, and other applicable State or Federal Laws. Consultations with the City's Employee Assistance Program are not considered psychological or medical examinations.
- (j) Personnel Records. The Police Department shall maintain only one working personnel file for each employee. The City Human Resources Division will retain the permanent personnel file. This does not preclude a supervisor from maintaining notes regarding an employee's performance, or the Department from maintaining computerized records relating to training, promotion, assignment, or similar data.
Annual employee evaluations and records of disciplinary action resulting in demotion or the loss of time or pay in the amount of forty (40) hours or more may be retained permanently. All other records of disciplinary action may be retained in an employee's Department personnel file for a period of not more than three (3) years, provided that if an employee's personnel record indicates a pattern of similar types of discipline, all such records may be retained until a period of three (3) years has elapsed during which there has been no further disciplinary action for the same or similar behavior. Records retained in an employee's Department personnel file longer than provided in this section

shall be inadmissible in any proceedings concerning disciplinary action of that employee.

Upon receiving a request for all or part of a personnel file, the affected employee shall be notified of the request, and the information shall not be released for a period of three business days from the time of said notification, except upon service of a court order or subpoena properly recorded and signed by a judge or magistrate demanding immediate release. The City Attorney will advise the Department in all matters pertaining to the release of information contained in a personnel file.

- (k) Drug Testing. See attached Appendix B, the City of Yakima Police Department Drug and Alcohol Testing Policy.
- (l) In the event of a layoff as provided for in Article 38, or a resignation or involuntary separation from service due a documented disability under RCW 49.60, the Americans with Disabilities Act, or other applicable disability law, resulting in the employee's inability to retain maintain fitness for duty, said employee shall be placed on a re-employment register for two (2) years from the date of separation.

In the event of a fitness for duty termination, upon verification that the employee is fit for duty the employee shall be subject to recall in the same manner provided for in the Police Civil Service Rules as are other employees on the re-employment register. The Employer retains the right to conduct its own medical examinations consistent with this agreement and the ADA, for the purpose of ascertaining the officer's fitness for duty. For the purposes of seniority and years of service calculations, employees re-employed through this process, who were terminated as the result of a lay off or fitness for determination shall be credited for applicable service time with a tolling for the period of discharge.

Within 90 days of the effective date of this agreement the Parties shall present to the Police Civil Service Commission, a mutual agreeable rule change implementing this Article.

ARTICLE 12 - WAGES

Section 1 - Base Monthly Salary Schedule.

There are to be no changes to monthly compensation during the duration of this agreement.

The top step Sergeant monthly wage will be established and maintained at 15% above the top step Police Officer monthly wage.

Section 2. – Policy for Pay Steps. The following shall be the general policy with respect to the use of the pay steps within salary ranges:

- a. The minimum rate of pay for a class shall be paid to any person on his original appointment, except appointments at a salary rate above the minimum may be authorized by the appointing authority when necessary to fill positions in "shortage"

occupations or when necessary to recruit applicants with exceptional qualifications. Lateral hires with 2 years of more of experience (after the academy) within the last 3 years shall be appointed at step C.

- b. The basic salary range shall consist of five steps to be known as Steps-A, B, C, D, and E. An employee, shall normally be advanced to the next higher step six months after the date of hiring or promotion and to the succeeding steps at one-year intervals, providing that employee's work has been satisfactory and the employee is making normal progress on the job. For purposes of computing the length of time for eligibility for within-range increases, the period of all leaves of absence without pay shall not be included except to the extent required by law. In order to simplify the preparation of payrolls, eligibility for within-range salary increases shall be computed in the manner heretofore set forth; provided, however, that upon an eligibility date falling on or before the fifteenth day of the month, such increase shall become effective as of the first day of the month; and provided further, that upon an eligibility date falling on or after the sixteenth day of the month, such increase shall become effective as of the first day of the following month.
- c. Contemporaneous with this agreement a letter of interpretation will drafted related to Article 12, Section 2 b. above.

 - (b) Upon termination under honorable conditions, as distinct from death or retirement, the employee's accrued sick leave up to a maximum of seven hundred and twenty (720) hours will be exchanged for pay at the rate of fifty percent (50%) of the employee's current base pay.
 - (c) The maximum amount allowable for payout is \$22,000.
 - (d) Employees who have accrued more than seven hundred and twenty (720) hours of sick leave may exchange such sick leave for bonus (additional) leave days at the rate of three (3) days of sick leave for each additional leave day, not to exceed a total of three (3) added leave days annually. Employees may receive compensation in lieu of taking leave days, utilization of which would be subject to the scheduling and approval by the Department head.
- (3) Sick Leave Exchange Procedure. Eligible employees may exchange accrued sick leave as provided above at the option of the employee, subject to the following conditions and provisions:

- (a) A request for such an exchange shall be made to the Director of Finance and Budget via the Department Timekeeper. All requests shall be in writing and shall be signed by the employee making the request.
- (b) Requests will be accepted only during the first five (5) working days of each month with exchanged leave to be available within fifteen (15) calendar days of the date the request is received by the office of the Director of Finance and Budget. Exceptions to the above will be made for termination, layoff or disability retirement.
- (c) No request will be granted for less than eight (8) hours' pay or eight (8) hours additional leave.
- (d) No exchange will be granted to an employee who has been terminated for cause, as defined by civil service.
- (e) In the event of layoff, exchange requests are the responsibility of the employee.

Section 7 – VEBA. Employees shall participate in the VEBA program the Association has established.

ARTICLE 25 - TRANSPORTATION

Section 1 - Mileage Reimbursement. The City shall pay each officer for his use, at the request of the City, of his personal auto. The mileage reimbursement rate will be tied to the mileage rate permissible under IRS regulations.

Section 2 - Reserved Parking. In the event the current City parking lot is no longer available, then a minimum of ten (10) parking spaces shall be reserved in proximity to the Police Station/ Legal Center for Association members whose shifts begin after noon. Use of said spaces shall be controlled by permit issued by the Chief of Police or designee.

ARTICLE 26 - TRAVEL AND TRAINING TIME

Section 1 - Training Time. Time spent in training that is required by the City is considered compensable hours of work; provided, however, time spent by employees is not compensable if all of the following four (4) conditions are present:

- (a) attendance is outside the employee's regular working hours;
- (b) attendance is voluntary;
- (c) the training program, lecture, meeting or other similar activity is not directly related to the officer's job; and
- (d) the officer(s) do not perform any productive work during such attendance.

Also, time spent in training which is mandated by state or federal government as a condition of practice in the profession is not considered compensable where the training is not tailored to meet the particular

needs of the City. If time spent in training is beyond the regularly scheduled shift, then time spent in training will be compensated at the overtime rate.

Section 2 - Travel Time. Travel time during regular working hours shall be considered compensable. Travel time outside regular work hours on City business shall not be compensable unless the officer is actually driving. Travel time as a passenger on an airplane, train, boat, bus or automobile outside of regular working hours is not considered compensable. Where all the employees traveling together are doing so outside of their regular working hours, the selection of the driver is by the choice of the ranking employee.

The City will furnish the Association with copies of all written general rules and special orders from within the Police Department pertaining to wages, hours, conditions of employment and assignments of members.

ARTICLE 28 - ADVANCE NOTICE OF SHIFT CHANGE

An officer will normally be given adequate advance notice of any change in his regular hours of work, except where an emergency exists [an emergency is defined as an event unforeseen by the Department, affecting the Department's ability to perform its mission]. Posting shall constitute adequate notice. Notice given less than forty-eight (48) hours before he is to begin work under the changed schedule entitles the officer to compensation at the overtime rate for those hours not exceeding eight (8) hours that are earlier, later or different from the hours he last worked in a work day. An officer is not entitled to compensation at the overtime rate if he is otherwise entitled to compensation under the same hours of work.

ARTICLE 29 - IMPROVED PERFORMANCE AND EFFICIENCY

The parties recognize the desirability of improving performance and increasing efficiency of the Yakima Police Department in order to provide maximum services at reduced costs. It is therefore agreed that the Association will actively cooperate and participate in studies and efforts to discover and employ new methods and practices which result in improved performance and increased efficiency in the Yakima Police Department.

ARTICLE 30 - SAVINGS CLAUSE

It is understood and agreed that all provisions of this Agreement are subject to applicable laws, and if any provision of any Article of this Agreement is held or found to be in conflict therewith, said Article shall be void and shall not bind either of the parties hereto. However, such invalidity shall not affect the remaining Articles of this Agreement. Notwithstanding any other provision of this Agreement, the Employer may take all actions reasonable to comply with the Americans with Disability Act and the Family Medical Leave Act. If the Washington Health Services Act (Health Care Reform) of 1993 or federal health care legislation mandates changes to the Health Insurance Article during the term of the

Agreement, then the parties agree to negotiate about those mandated changes subject to the dollar amounts and contribution formula remaining the same as provided for in Article 21. In the event that any provision shall be held unlawful and unenforceable by any court of competent jurisdiction, the parties agree to meet forthwith for the purpose of re-negotiating such provision in an attempt to reach a valid agreement.

ARTICLE 31 - WITNESS-CIVIL SERVICE BOARD

An officer shall be compensated for all off-duty time that he spends as a witness before the Civil Service Board or arbitration hearing at the same rate and in the same manner as he is compensated for Court Time; provided that the Association or the employee (when proceeding on an individual basis) will only call witnesses who are reasonably necessary for a reasonably necessary duration. Time spent as a witness at such proceedings outside of regular working hours shall be compensated at time and one-half (1.5) on an hour for hour basis with no call back minimum.

ARTICLE 32- PHYSICAL FITNESS

ARTICLE 33 - DEFERRED COMPENSATION

Each bargaining unit member shall be paid, in addition to that employee's monthly salary, deferred earned compensation each month in an amount equal to 5.5% of said monthly salary.

The deferred compensation contribution is separate pay and is not part of the base monthly salary schedule codified in Yakima Municipal Code Pay and Compensation Ordinance, subsection 2.20.110. This provision is subject to the City's deferred compensation rules and regulations adopted by the City Council and IRS regulations, and the computation of retirement contributions and pension benefits shall be governed by applicable state law.

ARTICLE 34 - MILITARY AND CIVIL LEAVE

Section 1. – Military Leave. Leave not to exceed twenty-one working days during each calendar year, over and above annual vacation or sick leave, may be allowed any employee who is a member of the National Guard or of any organized reserve or armed forces of the United States. Section 2. – Civil Leave. Necessary leave will be provided to permit an employee to serve as a member of a jury or to exercise other civic duties. Employees will remain in full employment status and will receive their full salary during periods of civil leave, however, any compensation received for performing civil duties must be remitted to the Finance Department.

ARTICLE 35 - OFF-DUTY EMPLOYMENT

Section 1 - Duty to Inform Chief. Any employee who desires to take any additional employment not relating to the use of commission authority during off-duty hours shall inform the Chief of Police in

writing at least seven (7) calendar days prior to the date of anticipated off-duty employment. The employee will fully describe the location and nature of the work to be performed, the proposed work hours, all items, if any, of Department equipment proposed to be used, and the anticipated duration of the employment. The Chief or his designee shall respond to the request within 72 hours excluding weekends and any holidays. This section does not apply to off-duty employment which has been specifically pre-approved by memo or Special Order from the Chief of Police.

Section 2 - Authorization for Off-Duty Employment. Prior to accepting off-duty employment not relating to the use of commission authority, an employee must obtain specific written authorization from the Chief of Police. The Chief of Police may suspend, modify, deny or terminate off-duty employment at any time for reasons including, but not necessarily limited to, the following:

- a. Incompatibility with the employee's city work schedule or interference with the employee's ability to perform his or her regular Police Department duties.
- b. Conflict with Department goals, objectives, policies or procedures.
- c. Nature of work is inconsistent with the professional image of the Department or creates an appearance of impropriety.
- d. Unusual illness or absence record prior to or following hours of off-duty employment.
- e. Work associated with premises where intoxicants are served for consumption, at the discretion of the Chief of Police.
- f. Work associated with a political party, candidate, or issue, or may give the appearance of an endorsement of a particular business, product or service.
- g. Work would result in an unreasonable competition with a private business.

Section 3 - Use of Department Uniforms and Equipment. It is at the sole discretion of the Chief of Police to authorize or deny the use of any and all items of Department-owned and/or issued equipment in the course of off-duty employment. No item of Department owned and/or issued equipment will be used for off-duty employment without the specific prior written approval of the Chief of Police.

Section 4 - Scheduling Off-Duty Employment. Off duty work involving the use of commission authority shall be scheduled and paid by the City. However, the Yakima Police Patrolmans Association must provide a list every six months of personnel to the Chief or designee for appropriate assignment depending upon availability. It is understood that this off-duty work for other organizations is to be paid at the rate of first class officer, straight time. The City's actions to coordinate and schedule this work and administer payment is not intended to make this "time worked" for overtime purposes.

Section 5 - Indemnification and Defense. The Chief of Police or designee, on behalf of the City, would attempt to obtain from a prospective off-duty employer an indemnification and defense agreement and/or proof of adequate liability insurance coverage prior to approving off-duty employment, including a requirement that the City be named as an additional insured on the insurance policy.

Section 6 - Off-Duty Employment Prohibited for Certain Employees. Employees who are on suspension or sick/disability leave or administrative leave or who are on entry-level probationary status

are generally prohibited from off-duty employment, unless specifically exempted from this provision by the Chief of Police.

Section 7 - Obligation to Department. The primary obligation and responsibility of all employees is to the Police Department. Employees who are directed or required to perform overtime or other Department-related work will do so regardless of conflict with their off-duty employment.

Section 8 - Industrial Insurance. The parties agree that for the purpose of coverage under the laws and regulations of LEOFF, the Washington State Department of Labor and Industries, and all other federal and state employment laws and regulations, YPPA members performing off-duty work not involving the use of commissioned authority shall not be considered employees of the City but shall be considered employees for these purposes, for off-duty work administered by the City.

ARTICLE 36 – LAYOFFS

Whenever it becomes necessary through lack of finances or other cause to reduce the force, persons to be laid off shall be given at least four weeks notice and the order of layoff shall be accomplished in the following manner:

- a. Persons serving in a temporary capacity within a classification to be reduced shall be first laid off in order of seniority, least senior first;
- b. Those still serving their probationary period within a classification to be reduced in order of seniority, least senior first;
- c. Those whose appointments are complete within a classification to be reduced in order of seniority, least senior first.
- d. Seniority for the purpose of this article shall mean accumulated time in employment within a particular classification within a department excluding leaves of absences in excess of 90 days and time off due to suspensions without pay. In the event of identical accumulated time within the affected classification, the order of hire or promotion shall determine seniority.
- e. In the event any permanently appointed person employed in a classification above entry level is laid off, that person shall have the right to voluntarily reduce in rank to the next lower classification previously held within the department regardless of whether a vacancy exists within that classification. Any person, other than persons serving temporary appointments in higher classifications, choosing voluntary reduction in rank under this section shall be regarded as the most senior person in that classification to which they are reduced for the purpose of any further layoffs. Temporary appointees electing voluntary reduction in rank shall assume the seniority in the previously held classification. The least senior permanently appointed person within any classification shall be laid off in the event all the positions within the classification are filled and a voluntary reduction in rank from a higher classification occurs. Likewise, if a person is laid off as a result of a voluntary reduction in rank that person may voluntarily reduce in rank to the next lower classification previously held.

- f. All persons except temporary appointees who choose to voluntarily reduce in rank shall be placed on a reinstatement register for each classification from which they were reduced.

ARTICLE 37 - DURATION

This agreement shall be effective on January 1, 2014 and shall continue through December 31, 2015.

APPENDIX B

YAKIMA POLICE DEPARTMENT DRUG AND ALCOHOL POLICY

This Policy has been agreed to by the parties and shall become part of the current labor agreement between the City of Yakima and the Yakima Police Patrolman's Association. All applicable articles of the contract shall apply to this Policy.

A. PURPOSE

This policy supersedes City of Yakima Substance Abuse Policy – Part I to the extent Part I applies to YPPA members.

The City of Yakima recognizes that employees are our most valued resource. The Department expects that all law enforcement officers are physically, mentally, and emotionally capable of fulfilling and carrying out their assigned duties, and has a responsibility for providing a safe working environment.

The City of Yakima and the Yakima Police Patrolman's Association have a mutual interest in ensuring that substance-impaired employees do not perform law enforcement duties. In order to protect the health, welfare, and safety of its employees and the citizens whom they serve, the following policy regarding substance abuse in the workplace is adopted.

B. POLICY

1. It is the policy of the City of Yakima to provide an alcohol- and drug-free workplace for its employees.
2. The City's philosophy on substance abuse is to emphasize prevention, training, rehabilitation, and recovery from substance abuse. Counseling and support will be made available through an Employee Assistance Program, and the employees' right to privacy will be respected at all times.
3. It is the responsibility of the City and the Association to preserve and protect public trust, public safety, and fitness for duty.
4. It is the responsibility of all employees to report for duty and be able to perform their jobs safely and effectively, unimpaired by drugs, alcohol, or any other intoxicating substance. Employees must remove themselves from service if they are unfit for duty.
5. The illegal possession, manufacture, use, distribution, or sale of, unlawful drugs, drug paraphernalia, or other prohibited substances is prohibited.
6. The possession, manufacture, use, distribution, or sale of alcohol on City

premises (including City vehicles) or while on duty at any time is prohibited. Alcoholic beverages that are properly stored, unopened, in the trunk of an employee's private vehicle on City property will not be considered a violation of this policy.

C. APPLICABILITY

This policy applies to all bargaining unit employees through the rank of Sergeant.

D. DEFINITIONS

For purposes of this policy, the following terms have the meanings indicated:

1. Alcohol use means the consumption of any beverage, mixture, or preparation, including any medication, containing alcohol.
2. Confirmation Test. A confirmation test means a second analytical procedure to identify the presence of a specific prohibited substance or prohibited substance metabolite in urine which is independent of the screen test and which uses a different technique and chemical principle from that of the screen test in order to ensure reliability and accuracy.
3. Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of criminal drug statutes.
4. Counseling means participation in a substance abuse treatment or rehabilitation program.
5. Criminal drug statute means a criminal law involving the manufacture, distribution, dispensing, use, or possession of any controlled substance.
6. Drug Test. A method for determining the presence of controlled substances in a urine sample using a scientifically reliable method performed in accordance with procedures specified in 49 CFR part 40, as amended.
7. Employee means a YPPA bargaining unit member.
8. Failing a Drug and/or Alcohol Test. Failing a drug and/or alcohol test means that the test showed positive evidence of the presence of a prohibited substance in an employee's system that is at or above a determined threshold level. This determination is made by the MRO.

Failing a drug and/or alcohol test shall be referred to as "testing positive". Employees who refuse to take a drug and/or alcohol test when requested to do so shall be considered to have failed the substance test.

9. Medical Review Officer (MRO) is a licensed physician with knowledge of substance abuse disorders and familiarity with the characteristics of laboratory tests selected by joint agreement between the parties to receive positive drug test results from the laboratory, analyze and interpret the results, and report to the City those results as outlined in Section I of this policy.
10. Passing a Drug and/or Alcohol Test. An individual passes a drug and/or alcohol test when an MRO determines that the results of the test:
 - a. Showed no evidence of a prohibited substance or prohibited substance metabolite;
 - b. Showed evidence of a prohibited substance or prohibited substance metabolite for which the employee has a prescription;
 - c. Showed evidence of a prohibited substance or prohibited substance metabolite below a determined threshold level; or
 - d. Were suspect because of irregularities caused by persons other than the employee in the administration of the test, observation, or custody and control procedures.

Passing a drug and/or alcohol test shall be referred to as "testing negative".

11. Prohibited Substances are those substances whose dissemination is regulated by law, including, but not limited to narcotics, depressants, stimulants, hallucinogens, cannabis, and alcohol. For the purpose of this policy, substances that require a prescription or other written approval from a licensed health care provider or dentist for their use shall also be included when used other than as prescribed. The drugs and/or their metabolites that are included in these categories are as follows:

1. marijuana
2. cocaine
3. opium or opiates
4. phencyclidine (PCP)
5. amphetamines or methamphetamines

12. Reasonable suspicion means facts and circumstances sufficiently strong to lead a reasonable person to suspect that the employee is under the effects of drugs and/or alcohol.

13. Representation means union or legal representation.
14. Refusal to Submit means an employee fails to provide adequate urine or breath for testing without a valid medical explanation, the employee engages in conduct that obstructs the testing process, or the employee does not cooperate fully in the collection process. Examples of refusal to submit include the following:
 - a. Failure to appear for a test.
 - b. Failure to remain at the testing site until the testing process is complete.
 - c. Failure to permit the monitoring of the provision of a specimen.
 - d. Failure to take a second test as directed by the collector.
 - e. Tampering with or attempting to tamper with a urine sample.
 - f. Failure to provide necessary documentation to the MRO when requested.
 - g. Failure to complete all required forms and documents.
15. Screening Test. A screening test means an immunoassay screen (or other Department of Health and Human Services (DHHS)-approved test) utilized to eliminate "negative" urine specimens from further consideration.
16. Substance abuse means the use of a substance, including medically authorized drugs other than as prescribed for the user, which impairs job performance or poses a hazard to the safety and welfare of the employee, the public, or other employees.
17. Substance Abuse Professional (SAP) is a licensed physician, psychologist, social worker, employee assistance professional, or addiction counselor certified by the National Association of Alcoholism and Drug Abuse Counselors Certification Commission with knowledge of and clinical experience in the diagnosis and treatment of drug and alcohol-related disorders.
18. Unreasonable Delay means a delay of the testing procedure for a period of time, as defined by the collection site or laboratory personnel, which could render the test useless or inaccurate.

E. EDUCATION

Communicating this policy to employees is important to its success. Therefore, all covered employees shall receive one written copy of this policy upon its

implementation and all new covered employees will receive one copy during employee orientation.

In addition, pursuant to the provisions of the Drug-Free Workplace Act of 1988, the City will establish an education and training program to assist employees to understand and avoid the perils of drug and alcohol abuse. The City will use this program in an ongoing educational effort to prevent and eliminate drug and alcohol abuse that may affect the workplace.

The City's program will inform employees about:

- The dangers of drug and alcohol abuse in the workplace;
- The City's policy of maintaining a drug- and alcohol-free workplace;
- The availability of drug and alcohol treatment, counseling and rehabilitation programs; and
- The penalties that may be imposed upon employees for drug and alcohol abuse violations.

As part of its program, the City shall provide educational materials concerning:

- This Policy;
- The effects of alcohol and drug use on an individual's health, work and personal life;
- Signs and symptoms of an alcohol or drug problem; and
- Available methods of intervening when an alcohol or drug problem is suspected, including confrontation and/or referral to management.

In addition to the training above, the City shall provide annual training to supervisors who may be asked to determine whether reasonable suspicion exists to require an employee to undergo drug and/or alcohol testing. The supervisory training shall include training on alcohol abuse and drug use. This training shall cover the physical, behavioral, speech, and performance indicators of probable alcohol abuse and drug use. Supervisors who have not received the initial training described above will not be asked to determine whether reasonable suspicion exists to initiate drug/alcohol testing. However, these supervisors may request another supervisor who has undergone this training to make the determination.

F. EMPLOYEE RIGHTS AND RESPONSIBILITIES

1. The City shall not require an employee to undergo a reasonable suspicion drug and/or alcohol test unless there is reasonable suspicion to indicate the employee is under the influence of a substance which causes the employee to pose a hazard to the safety of the employee, the public, or other employees.

2. It is the employee's responsibility to report for duty, able to perform his/her job safely and effectively, unimpaired by drugs, alcohol, or any other intoxicating substance.
3. The appropriate use of legally prescribed drugs and over-the-counter medication is not prohibited. Employees are responsible for: obtaining from their health care provider adequate information about the effects of prescription medication on job performance and promptly notifying his/her supervisor of same; or promptly notifying his/her supervisor of the effects on job performance of over-the-counter medication being taken. It is, however, the employee's responsibility to inform health care providers of the employee's job duties, obtain from their health care provider adequate information about the effects of prescription and over-the-counter medications on job performance, and report to his/her supervisor the possible effects of any medication may have on job performance that may create a direct threat by impairing job performance of safety-sensitive functions.
4. Employees are prohibited from possessing, manufacturing, using, distributing or selling alcohol, controlled substances or drug paraphernalia on City premises (including City vehicles) or while on duty. For purposes of this policy, "on duty" time includes meal and break periods during the work day. Alcoholic beverages that are properly stored, unopened in the trunk of an employee's private vehicle on City property will not be considered a violation of this policy.
5. Employees are encouraged to request assistance with drug use and/or alcohol abuse problem(s), with the understanding that a voluntary request for assistance will not be used as the basis for disciplinary action. However, a request for assistance shall not be used to exempt employees from job performance requirements.
6. In accordance with the Drug-Free Workplace Act of 1988, an employee who is convicted of a violation of a criminal drug statute shall notify the City's Human Resources Manager no later than 5 days after such conviction.
7. Employees have the right to challenge any discipline imposed in accordance with the Grievance procedure of this contract.
8. Positive drug tests will automatically trigger a test of a second specimen. The test of the second specimen must be processed at a different Department of Health and Human Services certified laboratory than the

laboratory that tested the primary specimen. The City will pay the cost of the split specimen test.

9. Employees having knowledge of another employee's condition/behavior that poses a potential threat to the safety of employees and/or the public shall immediately advise their immediate supervisor.
10. Employees may have an Association representative or legal counsel present at the collection facility. However, the lack of Association representation or legal counsel shall not cause unreasonable delays in the collection process.
11. Employees shall fully cooperate in the collection process.

G. DETECTION

1. Reasonable Suspicion. An employee may be required to undergo a reasonable suspicion drug and/or alcohol test when reasonable suspicion exists to indicate that the employee is under the influence of drugs or alcohol.
2. The decision to conduct a reasonable suspicion drug and/or alcohol test shall be made by a reporting supervisor and the next highest-ranking supervisor on duty. For purposes of this policy, acting officers are considered supervisors. The higher of the two supervisors will make timely notification of the situation to the department head or the department head's management level designee and the Human Resources Manager or his/her designee. Refusal to submit a drug and/or alcohol test authorized by this policy shall be grounds for discipline, up to and including discharge.
3. Searches.
 - (a) The Department has the right to search, without employee consent, City-owned property to which the employee has no reasonable expectation of privacy. These areas may include office space, desks, file cabinets and the like, that several different individuals may use or access. A reasonable expectation of privacy shall exist for personal containers marked and locked inside an Officer's desk drawer.
 - (b) If an employee's consent to search is first obtained, the Department shall have the right to search private property belonging to the employee, such as a personal equipment bag,

brief case, or private vehicle. If such consent is given, the employee shall have the right to Association representation during the search.

(c) If the Department requests the employee's consent to search, the Department shall first inform the employee that:

(1) The Department has reasonable suspicion to suspect that evidence exists within the area or item to be searched which could be used in disciplinary and/or legal proceedings against the employee; and

(2) The employee has the right to Association representation during the search if consent is given; and

(3) Refusal to give consent to search will not be considered by the Department to be an admission of guilt or cause for disciplinary or retaliatory action.

(d) An employee's refusal to give consent to search shall not preclude the Department from conducting a search according to and in the manner authorized by law.

H. TESTING PROCEDURES

1. Drug and alcohol testing shall be conducted in a manner designed to protect employees' privacy, protect the integrity of the testing process, safeguard the validity of test results, and ensure that those results are attributed to the correct employee. The City and Association agree that if the security of a urine, breath, or blood sample is compromised in any way, any positive test resulting from that sample shall be invalid and may not be used for any purpose except to the extent the employer can prove the employee spoiled the test.
2. Employees who are required to undergo a reasonable suspicion drug and/or alcohol test will be provided transportation to the collection facility and shall also be offered transportation home by the Department representative.
3. Employees may have an Association representative present at the collection facility for a reasonable suspicion drug and/or alcohol test. However, the lack of Association representation shall not unreasonably delay the collection process.

4. Employees required to undergo a drug and/or alcohol test shall cooperate fully in the collection process and complete all required forms and documents. These forms may include a Consent/Release form and an Interview Form.
5. Urine samples for drug testing shall be collected at a collection site in the City of Yakima mutually selected by the City and Association. The urine sample is produced by the employee alone in a restroom. The medical technologist will examine the restroom before and after to ensure that no other samples were present and that no substances were available for tampering. Each sample shall be subjected to a laboratory testing protocol to detect tampering. The medical technologist will take the sample, seal it, label it with the employee's identification, and sign a document that begins a formal chain-of-possession procedure. Each person who handles the sample, including the person who performs the tests, will sign the document. When not being handled, samples are stored in a locked refrigerator. The purpose of this procedure is to ensure that samples do not get switched during testing. Any specimen that tests positive for drugs shall be retained in long-term frozen storage by the laboratory conducting the analysis for one year.
6. If medical personnel at the collection site have reason to believe that an adulterated or substituted sample has been provided (or that the employee may alter or substitute the sample), the employee will be required to submit a second sample (or an original sample, in the case of an employee providing a substituted sample). This collection shall be under the direct observation of a same gender collection site staff person. The employee will be required to provide the additional or original sample during an observed collection prior to leaving the collection site.
7. Urinalysis will be performed at a test laboratory certified by the U.S. Department of Health and Human Services (DHHS) and mutually selected by the City and the Association. Drug testing by urinalysis involves an initial screening performed by the enzyme multiplied immunoassay test (EMIT). Any positive test is then confirmed by a second test of the same sample by Gas Chromatography/Mass Spectrometry (GC/MS). Prescription information will not be requested from an employee prior to laboratory testing. The City's designated MRO shall receive and interpret test results. Laboratory urinalysis of urine specimens shall be restricted to those tests authorized by this policy to detect drug use. They shall not be used for other purposes such as the analysis of physiological states or diseases. The laboratory shall test for only the substances and within the limits as follows for the initial and confirmation tests:

Initial Tests

Alcohol.	0.02 g/210 ml expired air	
Marijuana metabolites		50 ng/ml
Cocaine metabolites		300 ng/ml
Opiate metabolites (1)		300 ng/ml
Phencyclidine		25 ng/ml
Amphetamines		1000 ng/ml

(1) If immunoassay is specific for free morphine the initial test level is 25 ng/ml.

Confirmation Test

Alcohol.	0.02 g/210 ml expired air	
Marijuana metabolites		15 ng/ml
Cocaine metabolites		150 ng/ml
Opiates		
Morphine		300 ng/ml
Codeine		300 ng/ml
6-acetylmorphine		10 ng/ml
Phencyclidine		25 ng/ml
Amphetamines		
Amphetamine		500 ng/ml
Methamphetamine		500 ng/ml

8. Alcohol shall be tested by means of a Breathalyzer machine currently in use (B.A.C.) or future equipment which may supersede the B.A.C. machine (but excludes the P.B.T. device). Breathalyzer alcohol tests shall be conducted in private at the collection site mutually selected by the City and the Association. The testing shall require two breath samples within the proper variance. If the initial test (comprised of the two breath samples) indicates an alcohol concentration of .02 or greater, the employee may choose to allow a second test to confirm the results. The second confirmatory test shall be by means of a blood draw using a .02 blood alcohol concentration level to measure a positive test. If the employee chooses not to take the second confirmatory test, the first test will be used to determine alcohol concentration.
9. Upon written request to the Human Resource Manager by the employee, the City shall make one legible copy of the results of his/her drug and/or alcohol tests available to the employee.

10. All information collected in the process of conducting a drug and/or alcohol test shall be treated as confidential information. These files shall be separate from the personnel file, sealed, and maintained in a secure medical file. Except as required by law or authorized by the employee, the City shall not release such records. Test results obtained pursuant to this policy shall not be used as the basis for criminal investigation.
11. Employees who refuse or fail to fully cooperate in the collection process may be subject to discipline up to and including discharge. Examples of a failure to fully cooperate include such actions as refusing to sign the necessary consent/release forms; delaying and/or obstructing the collection process; failing to provide the specimen for testing; and attempting to substitute or adulterate a specimen. The foregoing list is not intended to be an all-inclusive list. City management shall, in all circumstances, have the final right to determine the appropriate level of discipline depending on the specific circumstances, the employee's performance record, and any other pertinent facts.

I. REPORTING OF RESULTS

1. Alcohol Test Results.

- a. Negative Test Results. If the test result is below 0.02 g/210 ml expired air, the laboratory or collection site personnel will report to the Chief or his/her designee that the employee tested negative for alcohol.
- b. Positive Test Results. If the test meets or exceeds 0.02 g/210 ml expired air, the laboratory or collection site personnel shall report to the Human Resources Manager that the employee tested positive for alcohol. The Human Resources Manager will report the results to the appropriate City personnel.

2. Drug Test Results.

- a. Negative Test Results. Laboratory personnel will advise the Police Chief or his/her designee directly of all negative drug test results.
- b. Positive Test Results. The City shall have a designated Medical Review Officer (MRO), to review and interpret any positive drug test results. The laboratory will advise only the MRO of any positive drug test results. The MRO must examine alternate medical explanations for any positive test results. This process

shall include a request for an interview with the affected employee and review of the employee's medical history and any other relevant biomedical factors. The MRO must review all medical records made available by the tested employee when a confirmed positive test could have resulted from legally prescribed medication. Employees involved in this step of the examination shall make themselves and any relevant records they wish to present available to the MRO within 48 hours after request.

After reviewing the incident file and interviewing the employee, the MRO shall report to the Human Resources Manager the name of the employee and whether a positive test of a prohibited substance has been verified. The Human Resources Manager shall report the results to the appropriate City personnel. The employee shall be placed on administrative leave status pending completion of the investigation and/or disciplinary action, and/or return to duty.

3. Rehabilitation Program. If the tested employee is referred on to rehabilitation or treatment, the MRO is authorized to communicate specific results to the Substance Abuse Professional (SAP) or counselor overseeing the employee's treatment program.

4. Grievance. The laboratory and/or the MRO will be authorized to release specific test results to the City and the Association in cases of a grievance and/or legal challenge.

J. DISCIPLINE AND TERMINATION

1. Employees who violate the drug and alcohol policy will be subject to a range of disciplinary consequences depending upon the severity of the violation, the employee's past performance record, and other relevant facts and circumstances. In all cases, the City reserves the right to determine the appropriate disciplinary and/or rehabilitation response subject to the collective bargaining agreement, Police Civil Service Rules and Regulations, and all other applicable rules and regulations.

2. Employees are subject to disciplinary action, up to and including discharge, for any of the following:

a. Refusal to submit to a drug and/or alcohol test.

b. Drinking alcoholic beverages or using prohibited substances while

on duty (including breaks and meal periods), on City property, or in City vehicles.

- c. Unlawful manufacture, distribution, dispensation, possession, concealment or sale of any prohibited substance, while on duty (including breaks and meal periods), on City property, or in City vehicles.
- d. Any criminal drug statute conviction and/or failure to notify the City within 5 days of such conviction.
- e. Failure to complete a counseling, treatment, or rehabilitation program as prescribed by the SAP.
- f. Testing positive in a drug and/or alcohol test.
- g. Failure to report to a collection site as directed.
- h. Disclosing the identity of an officer selected for unannounced testing or the fact that an unannounced selection is scheduled to take place prior to the collection of urine specimens.
- i. Any other violation of this policy.

K. REHABILITATION AND RETURN TO DUTY

1. As required by the Federal Drug-Free Work Place Act of 1988 (Pub. L. 100-690, Title V, Subtitle D), within 30 days of the City's receiving notice that an employee has been convicted of violating a criminal drug statute in the workplace, the City will take appropriate personnel action up to and including termination or require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement or other appropriate agency.
2. The City recognizes that substance abuse can be successfully treated, enabling an employee to return to satisfactory job performance. The City offers employees the use of counseling and rehabilitative services in accordance with the terms of its benefit programs, including the City EAP. Employees are personally responsible for seeking treatment for substance abuse and are responsible for all costs not covered by insurance or otherwise paid for by the City. Employees who are concerned about their own drug use and/or alcohol abuse are encouraged to voluntarily seek assistance through the City's EAP. All such voluntary requests for

assistance will remain confidential.

3. Rehabilitation

- a. Any employee who tests positive for a prohibited substance, and is not terminated from employment, shall be referred to an SAP for a medical evaluation, counseling and/or rehabilitation treatment. If the employee is required to participate in such a program, his/her reinstatement or continued employment shall be contingent upon:
 - 1) Successful completion of the program and remaining drug- and/or alcohol-free for its duration; and
 - 2) Passing a return to duty drug and/or alcohol test as recommended by the SAP; and
 - 3) Obtaining a final release for duty by the SAP (the final release for duty may be preceded by a temporary release for duty).
 - 4) Nothing in this section prohibits the City from disciplining or terminating an employee who tests positive for a prohibited substance.
- b. Employees who successfully complete a rehabilitation program and are released for duty, in addition to being subject to reasonable suspicion testing at any time pursuant to this policy, will be subject to follow up testing, which involves unannounced drug and/or alcohol testing at least 6 times during the following 12 months. The SAP will determine the dates for these drug and/or alcohol tests. The SAP will communicate these dates to the Human Resources Manager, who will inform the appropriate Police Department supervisory personnel to schedule these dates with the employee. The appointment for the collection will be made in advance and maintained in a confidential manner by the Department until the day of collection. The Department shall provide the supervisor with adequate notice of the test dates. The employee will not be notified until just prior to the testing. The employee may request an Association representative to accompany him/her to the collection site, provided the sample is collected without unreasonable delay.
- c. Upon notification of selection for the follow up tests, the employee must proceed directly to the collection site for testing.
- d. Refusing to submit to a return to duty or a follow-up test will be considered grounds for discharge. If the selected employee fails

to report to the collection site without unreasonable delay this will also be considered grounds for disciplinary action up to and including discharge.

4. Employee Self-Referral Rehabilitation

- a. If an employee voluntarily enters a drug/alcohol rehabilitation program, it shall not be considered an offense under this policy. Such employees are, however, still subject to this policy and may be required to undergo drug and/or alcohol test if reasonable suspicion exists. Employees who voluntarily enter a drug or alcohol rehabilitation program shall be required to use sick leave, vacation, holiday leave bank, compensatory time, or leave without pay. All appointments with the SAP may be scheduled as vacation, sick leave, or leave without pay pursuant to City policies.
- b. The employee will be responsible for all costs, not covered by insurance, which arise from such treatment.

5. Return to Duty

The employee will not return to work until the employee has a release for duty from the SAP and has passed a return to duty drug and/or alcohol test as recommended by the SAP. The release for duty may be a temporary or final release as described below, depending on the circumstances.

- a. Temporary Release for Duty. The SAP may sign a temporary release for duty indicating that the employee can satisfactorily return to regular work assignment and continue treatment on an outpatient basis. The temporary release for duty shall indicate the length of time such release is valid not to exceed 4 months. The employee must present a final release for duty on or before the expiration date of the temporary release. A temporary release shall include follow up testing. The employee must present both the temporary and final release for duty to his/her supervisor.
- b. Final Release for Duty. A final release for duty may be signed by the SAP indicating that the employee has:
 1. Satisfactorily completed treatment and follow up testing;
or
 2. Does not require treatment at this time, and the employee

may return to regular work assignment without restrictions. Failure to provide a final release for duty to the supervisor may result in disciplinary action up to and including discharge.

6. Other Conditions Upon Return to Work

- a. Once an employee provides the supervisor with a final release for duty, the employee may be returned to his/her regular duty assignment. Any records in the employee's personnel file regarding the incident will be retained and purged in accordance with the collective bargaining agreement.
- b. If an employee tests positive during the 24 month period following rehabilitation, the employee will be subject to discipline, up to and including discharge.

L. OTHER

1. The City shall pay for drug and alcohol testing including the expenses of the Medical Review Officer.
2. This policy was initiated at the request of the City and the Employer shall assume sole responsibility for the administration of this policy. The City agrees to indemnify and hold the Association and its officers harmless from any and all claims of any nature (except those arising from the negligence of the Association and/or its officers) arising from the Employer's laboratories, or Medical Review Officer's implementation of this policy.
3. The parties recognize that there may be improvements in the technology of testing procedures which provide more accurate testing for on-the-job impairment or which constitute less invasive procedures for the employees. In that event, the parties, upon request of one to the other, will bargain in good faith whether to amend this procedure to include such improvements. If the parties are unable to agree, the issue will be submitted to impasse procedures under RCW 41.56.
4. If any provision of this policy shall be held invalid by operation of law or any Tribunal of competent jurisdiction, or if compliance or enforcement of any provision should be restrained by such Tribunal pending final determination as to its validity, the remainder of this policy shall not be held to be invalid, and will remain in full force and effect, and the parties, upon request of one to the other shall initiate immediate negotiations for

the purpose of arriving at a mutually satisfactory replacement of such provision.

5. The following attachments shall be a part of this Policy: Sergeant's Guidelines for Reasonable Suspicion Testing, and City of Yakima Police Department Drug and Alcohol Policy Reasonable Suspicion Test Form.

**CITY OF YAKIMA POLICE DEPARTMENT
DRUG AND ALCOHOL POLICY
SERGEANTS' GUIDELINES FOR REASONABLE SUSPICION TESTING**

The primary goal of the Drug and Alcohol Policy is to provide a working and service delivery environment free from the effects of alcohol/drug abuse. The Sergeant's role is to identify employees who may be a threat to the safety and welfare of the employee, other employees, and the public by being under the influence of drugs and/or alcohol while on-duty. Such employees *must* be removed from the workplace.

1. Once you become aware that an employee is or may be impaired by drugs or alcohol, contact your appropriate command staff and explain the situation.
2. If your command staff decides that the test is appropriate, relieve the employee of duty with pay during the course of the exam and MRO review.
3. Complete a report describing the basis for the test including observable behavior. You may use the Yakima Police Department Drug and Alcohol Policy Reasonable Suspicion Test Form as a guide to help you complete your report.

APPENDIX C

RESOLUTION NO. D-5820

A RESOLUTION providing for both repeal of prior resolutions for indemnification against personal liability for City personnel and for provision of broader coverage of City personnel.

WHEREAS, the City has been unable to obtain liability insurance except for coverage that carries a \$100,000.00 self-insured retention feature; and the City has been unable to obtain police professional insurance and errors and omission insurance except for coverage that is subject to a \$10,000.00 deductible feature; and it is unknown whether the City will continue to retain that coverage, or any other, in the future; and

WHEREAS, in the interest of attracting candidates for elected City positions, and in the interest of recruiting and retaining City officers, employees, police volunteers, and members of City boards and commissions, without exposing them to personal liability under the retention or deductible features of the City's existing insurance policies or in the event no coverage may exist in the future, and in accordance with Sections 35.21.205 and 36.16.138, and Chapter 48.62, all of the Revised Code of Washington, the City Council deems it to be in the best interests of the City that City elected and appointed officers, employees, police volunteers, and members of City boards and commissions, be indemnified from personal liability in their conduct of City affairs; and

Further, the defense, indemnification or hold harmless provisions of this resolution shall be afforded only to those persons who exercised good faith in their performance, purported performance, or failure of performance of their duties for or employment with the City on which the action, claim or proceeding is based, and who were not acting clearly outside the scope of their authority as City officers, employees, police volunteers, or members of City boards or commissions; and no civil or criminal fine shall be paid for any person who knew, or should have known with the exercise of reasonable care, that the conduct or failure to act, on which the fine is based, was unlawful. officer, police volunteers, and board or commission members, in which event the defense, indemnification, and hold harmless provisions of this resolution shall to the full monetary amount of the expenses defined in Section C of this resolution."
